

SOLAR STREET LIGHT

Pole	6M(pole 5.7m,total 6m) ,cone-shaped,galvanized and plastic spraying,whole underground waterproof treatmen,dia60-140MM,thickness:2.75mmH:6M,flange280*280*18mm		7M(pole 6.7m,total 7m) ,cone-shaped,galvanized and plastic spraying,whole underground waterproof treatmen,dia60-150MM,thickness:3.0mmH:7M,flange 280*280*18mm		8M(pole 7.7m,total 8m) ,cone-shaped,galvanized and plastic spraying,whole underground waterproof treatmen,dia60-160MM,thickness:3.0mmH:8M,flange300*300*18mm		9M(pole 8.7m,total 9m) ,cone-shaped,galvanized and plastic spraying,whole underground waterproof treatmen,dia60-160MM,thickness:3.5mmH:9M,flange350*350*20mm		10M(pole 9.7m,total 10m) ,cone-shaped,galvanized and plastic spraying,whole underground waterproof treatmen,dia60-200MM,thickness:4.0mmH:10M,flange400*400*20mm	
Solar Panel	90W*1 mono/multi-crystal silicon high-efficiency cell with service life ≥ 25 years		100W*1 mono/multi-crystal silicon high-efficiency cell with service life ≥ 25 years		120W*1 mono/multi-crystal silicon high-efficiency cell with service life ≥ 25 years		70w*2 or 140W*1pcs mono/multi-crystal silicon high-efficiency cell with service life ≥ 25 years		80W*2pcs mono/multi-crystal silicon high-efficiency cell with service life ≥ 25 years	
Lights Source	LED 30W,110lm/w		LED 40W,110lm/w		LED 50W 110lm/w		LED 60W 110lm/w		LED 80W 110lm/w	
Controller	Remote Intelligent, Light & Time sensor,high quality with warranty period ≥ 5 year		Remote Intelligent, Light & Time sensor,high quality with warranty period ≥ 5 year		Remote Intelligent, Light & Time sensor,high quality with warranty period ≥ 5 year		Remote Intelligent, Light & Time sensor,high quality with warranty period ≥ 5 year		Remote Intelligent, Light & Time sensor,high quality with warranty period ≥ 5 year	
Accessories	Cables, Base Foundation screw and nut etc.complete set		Cables, Base Foundation screw and nut etc.complete set		Cables, Base Foundation screw and nut etc.complete set		Cables, Base Foundation screw and nut etc.complete set		Cables, Base Foundation screw and nut etc.complete set	
Working Time	12 hours/day,4 hours 100% power 6 hours half power and 2 hours 75% power, 3 lasting rainy days ,Automatic light sensor switch		12 hours/day,4 hours 100% power 6 hours half power and 2 hours 75% power, 3 lasting rainy days, Automatic light sensor switch		12 hours/day,4 hours 100% power 6 hours half power and 2 hours 75% power, 3 lasting rainy days ,Automatic light sensor switch		12 hours/day,4 hours 100% power 6 hours half power and 2 hours 75% power, 3 lasting rainy days ,Automatic light sensor switch		12 hours/day,4 hours 100% power 6 hours half power and 2 hours 75% power, 3 lasting rainy days Automatic light sensor switch	
Batteries	40AH,Huafu lifepo4 high quality lithium battery,warranty 5 years.	80ah leadacid battery with underground waterproof battery box	50AH,Huafu lifepo4 high quality lithium battery,warranty 5 years.	100ah leadacid battery with underground waterproof battery box	60AH,Huafu lifepo4 high quality lithium battery,warranty 5 years.	120ah leadacid battery with underground waterproof battery box	70AH,Huafu lifepo4 high quality lithium battery,warranty 5 years.	140ah leadacid battery with underground waterproof battery box	80AH,Huafu lifepo4 high quality lithium battery,warranty 5 years.	160ah leadacid battery with underground waterproof battery box

Price USD Fob Shanghai	\$320	\$259	\$379	\$308	\$439	\$352	\$530	\$430	\$621	\$505
Packing:	60pcs per 20ft container,140pcs per 40HQ'	60pcs per 20ft container,140pcs per 40HQ'	60pc per 20ft container,140pcs per 40HQ'	60pc per 20ft container,140pcs per 40HQ'	60pc per 20ft container,140pcs per 40HQ'	60pc per 20ft container,140pcs per 40HQ'	40pcs per 20ft container,95pcs per 40HQ'	40pcs per 20ft container,95pcs per 40HQ'	40pcs per 20ft container,95pcs per 40HQ'	40pcs per 20ft container,95pcs per 40HQ'
Remarks	The collocation based on the place of French polynesia ,and the average Daily solar radiation-horizontal is 5.0 kWh/m2/d
